

Dane County Conservation League

Did you know that the League is the second oldest conservation group in the State of Wisconsin? If you are concerned about the future of Dane County's natural heritage, you will want to attend the Dane County Conservation League's 24th/79TH annual fundraiser banquet. Proceeds from the event support the Youth Expo, educational scholarships, local DNR wildlife habitat projects, purchase of trout stream bank easements, prairie chicken recovery efforts, the raising of 1,000 pheasants and the construction of Blue Bird, Wood Duck, and Bat Houses.

Become part of the League's rich history and tradition by attending the Banquet!
